## MRS. WEIDER

### Grammar/Literature

We will start chapter 14 in our Shurley English book once we have completed the CLT testing (see aside). This will take the students into Pattern 3. This pattern included indirect objects in the practice sentences.

As we continue on with Daniel's story, we see the village and the Jewish community begin to turn against Rosh and the other zealots. Additionally, Daniel is faced with his hatred of the Romans in a very personal realm, while attempting to understand Thacia's feelings for him.

We are reaching the end of the school year, but it is my intention to complete this book. The last reading guide will be given this week for chapters 17-24

### Classic Learning Test

This week and next, our scholars will participate in the yearly testing which OSL provides for the scholars. The CLT is a well-known and accepted standardized test. The Classic Learning Test (CLT) provides academic assessments for Grades 3-12 that evaluate reading, grammar, writing, and mathematics.

The grade 6 CLT will be given on Monday, May 4 through Wednesday, May 6. This test will be given only in my classroom, so the majority of their schedule will remain the the same.

Though we will pause a bit of our work, we will continue to read *The Bronze Bow* (as time allows). I am estimating that the reading guide for chapters 8-16 will be due next Tuesday or Wednesday.
