SCHOOL REMINDERS

Exciting Partnership with Smart Families

At Our Savior Lutheran School, we are committed to creating a safe, focused, and engaging learning environment for our Eagles. This year, we are excited to partner with Smart Families, an organization that helps parents understand the impact of technology and provides tools to support healthy habits at home. OSL has long operated as a technology-free campus to encourage meaningful

engagement in our Classical Lutheran curriculum, and this partnership helps families understand the science behind these intentional choices.

We invite all families to adopt four shared norms to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day.

Ever wondered what was going on in your child's brain? Be sure to register for the Smart Families instructional session on September 15th (9 am, noon, 7pm) titled **"Beyond Balance: The Hidden Sense Behind Learning."** Use the link in the School Newsletter! I can't wait to learn about this new information!

Back to School - Get the OSL App!

Plan to Use this App All Year

In addition to Back to School you can use the **OSL App** to find many important pieces of information! The **Absence Form** is available on the app and is the BEST way to communicate when your child will miss school, to note doctor appointments and upload dr. notes, or to share other details related to being late or leaving early! AND if you have to reschedule a missed lunch due to an absence you can note it there, too!

Stay Connected: Join Your Grade-Level WhatsApp Group!

Eagles, have you joined your WhatsApp Grade Group yet? If not, now's the time! These groups are a great way to connect with other OSL families who have children in the same grades. Whether you're looking to share resources, coordinate playdates, or just stay in the loop, these groups help strengthen the community we all value so much.

To join, simply click the link to access the **OSL Community WhatsApp Group**. From there,

you'll be able to request access to the specific grade-level groups for each of your children. These are private groups, so approval is required.

This is just one more way OSL is committed to building a strong, supportive community for our families!

After School Enrichment Activities

Check Out the Options!

Scholars have the opportunity to join optional after school enrichment activities. Please note that **all registration and payments are done directly with each vendor** and are **not billed through FACTS**. Contact information is available on each flyer linked below. **Please direct questions to individual vendors and look for information shared by the vendor for guidance and schedule.**

Questions? See the newsletter for contact information.

Spirit Shop - NOW OPEN!

Grab some OSL merch if you missed your previous opportunity!

Don't delay -- the shop is only open until September 11.
