

MS. LOWERY'S SCHOOL SCOOP!

Week 25 - Quinquagesima/Ash Wednesday
February 15

WEEKLY EAGLE REPORT

Good afternoon, families!

Our field trip is this Thursday! Thank you so much for your interest in being a chaperone. If you were not selected this time, please know I truly appreciate your willingness to help and will certainly keep you in mind for our next field trip.

The next Science Fair due date is Data on Wednesday, 02/18.
Please begin working on the experiment 😊

Remember, the Science Fair project counts as two test grades, so staying on top of deadlines is very important. Points will be deducted for each day a section is late. I will not have class time to review these steps, so please plan to work on this at home with your scholar.

We will also be testing scholars on the Pater Noster on Thursday, February 20th. Scholars will recite it aloud in class. A copy was sent home for practice.

Thank you so much for your continued support!

MEMORY WORK 02/13

Sacrament of Holy Baptism – The Third Part

How can water do such great things?

Certainly not just water, but the word of God in and with the water does these things, along with the faith which trusts this word of God in the water. For without God's word the water is plain water and no Baptism.

But with the word of God, it is a Baptism, that is, a life-giving water, rich in grace, and a washing of the new birth in the Holy Spirit, as St. Paul says in Titus, chapter three:

He saved us through the washing of rebirth and renewal by the Holy Spirit, whom He poured out on us generously through Jesus Christ our Savior, so that, having been justified by His grace, we might become heirs having the hope of eternal life.

This is a trustworthy saying.

What is Galatians 3:26-27?

"For in Christ Jesus you are all sons of God, through faith. For as many of you as were baptized into Christ have put on Christ." Galatians 3:26-27
