-"Jesus, My Good Shepherd" Arch Book

OUTDOOR LEARNING Friday's

We'll go out to the field and play leap frog in honor of this special leap year.

SCIENCE Thursday's

We began our class project for the Science Fair.
Question: What will happen when we put a bag of water in the window with sun shining on the water? What is the water cycle? Every child made a prediction. We'll watch and gather our results, look at the data, and then come up with a conclusion. We're looking forward to showing everyone at the History & Science Fair on Tuesday, March 5 at 7:00

REMINDERS FROM MRS. CRABTREE

Tuesday, March 5 – PTL meeting at 6:30
Tuesday, March 5 – History & Science Fair at 7:00
