<p style="text-align: center;"><u>Math</u></p> <p>Last week, we explored the concept of subtraction and how it is the inverse operation of addition. The kids seemed to pick up on it really well. This week, we will finish our primer book as we specifically subtract 1 from each number 1-10. We will practice this before moving on to reviewing concepts for the end of the year.</p>	<p style="text-align: center;"><i>Praise the Lord, and let all that is within me, bless His holy name!</i></p> <p>Please consider contributing to our "All-In" Campaign. The first class to reach "all in" will receive a popsicle recess!</p> <p>EVERY class that reaches "all in" will receive a free dress day of their choosing.</p> <p>Our class has 13 squares to fill - help us fill ALL the squares! Our next goal is \$75,000.</p>	<p style="text-align: center;"><u>Phonics and Literature</u></p> <p>Last week, we learned our last letter that can stand by itself - z. We have learned "th" in words like "that" and "feather". This week, we will learn words with the unvoiced "th", such as thumb and think. We will review all of our red words this week. Show and Tell is once again free choice, and it is still on Tuesday and Thursday.</p>
