

Salvete parents!

Yesterday's field trip was so much fun! Thank you to all the chaperones who were able to help, it means so much that you take time out of your work week to be with us. We are already planning our next one. Next week will be busy as usual. We will be taking our lesson 13 test in math over column addition and make our way through the last lessons in English before our chapter 6 test. Join us on Tuesday for a Zoom with Dr. Schroeder at 7 PM as he discusses simple habits on effective parenting. Don't forget to reenroll! We'd love to see you all back next year!

Please help us reach our goals for our Annual Eagle Fund! Only three students in our class have made donations. If all the students in our class make donations (OF ANY AMOUNT) each student will get a FREE DRESS PASS! Ask those Grandparents, Aunts, Uncles, and Best Friends!! Here is the link to send out to them : <http://www.oslschool.org/giving>

Summer Camp registration is now open to all OSL Scholars 3 Years of up to 11. Enrollment is now open to the public. Register now to reserve your spot.
