## LETTERS & NUMBERS

- Introduced Mm.
- Reviewed 8. Things related to eight – octagon, stop sign, spider legs, Crazy 8's card game, hot dog buns in a package, octopus tentacles, squares across a chess board, 8 ounces in a cup, Santa's original reindeer

## SCIENCE

- Because Madeline (Ludwig Bemelmans) had appendicitis, we will discuss the digestive system and perform a fun (and very yucky) experiment to demonstrate the digestion process. The children will be able to see the process of digestion in a practical, engaging way. We will talk about why it is so important to take care of the bodies that God gave us and to eat healthy foods.

### Reminders

If you have any questions, please call/email me or the school office.

- Thursday, Jan. 15 - **Winter Wonderland Day**. Your child may dress as a snowman or wear all white and a hat. It's a day surrounded in snow – stories, science experiment, snacks, crafts, games – all things related to winter and the cold, quite the opposite of Houston, Texas recently. ❄️
