Trinity 13

Dear Parents,

Grandparents Day is October 10. Please invite grandparents or a special person to come now. School will be dismissed at 11:30 that day.

A new members class will start on Mondays, September 8. Dinner is at 6:30, and class is from 7:00-8:30. This is a great chance to learn what the Lutheran church teaches.

Come have lunch at Jason's Deli this Sunday from 11:00- 4:00. Be sure to mention that you are from Our Savior Lutheran. OSL will get a percentage of the money.

Smart Families will host another event on September 15. You can RSVP through the link in the school newsletter. They will present at the PTL meeting on Tuesday, Sept. 23 at 6:00 pm.

Our marble jar is already full! We have an amazing class. We will have popsicles this Monday to celebrate.

This week:

Religion: Jacob flees from his brother Esau. God promises to be with Jacob and bless him. God never leaves us either. Later Esau forgives Jacob. This is a great example for us to forgive others. Esau forgave Jacob even before he apologized. Jacob has 12 sons and his name is changed to Israel.

Math: counting 0-9, tracing numbers, rectangles

Phonics: A is for apple. We had fun making applesauce, taste testing apples and graphing the results, and seeing if apples sink or float.

Lock words so far: a, and, the, black, is, on (Practice the fluency page with the lock words.)

Literature: Johnny Appleseed, Amazing Apples, Ten Apples on Top, Zack and the Alligator, How to Make an Apple Pie and See the World, The Tiger's Slippers, If I Were a Panda Bear, A Rainbow, Bear's Rainbow, Winnie the Pooh

Science: Day 1: White light is made of all the colors of the rainbow. We used cds with flashlights and prisms with paper to separate white light into the colors of the rainbow. We also enjoyed a scavenger hunt looking for things of each color.

Next Week:

Memory week 6:

9th Com: You shall not covet your neighbor's house.

10th com:

You shall not covet your neighbor's wife, or his manservant or maidservant, his ox or donkey, or anything that belongs to your neighbor.

Religion : Joseph

Math: counting 0-9, printing 4 and 5

Phonics: d

Science: states of matter, clouds, evaporation, and condensation

Geography: animals of Asia: camels and pandas

In His Service,

Debbie Armstrong
