

OUR SAVIOR
LUTHERAN SCHOOL

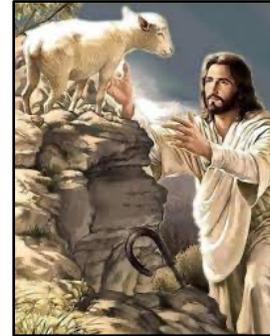

Pre-K Ponderings

Week 27 – March 1 – Lent 2 (Reminiscere)

BIBLE STORY & SONGS

- The Good Samaritan; The Good Shepherd
- *Jesus Loves the Little Children*
- *God's Own Child*

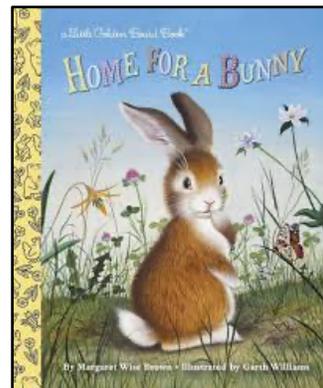

LITERATURE & POETRY

- *Home for a Bunny*, Margaret Wise Brown (one of Mrs. Crabtree's top three favorite children's authors)
- *The Story of Ferdinand*, Munro Leaf (Again, because they loved this story.)
- *Armadilly Chili*, Helen Ketteman
- *Armadillo Rodeo*, Jan Brett
- *Rodeo Red*, Maripat Perkins
- *The Zebra-Riding Cowboy: A Fold Song From the Old West*, Angela Shelf Medearis
- *The Ballad of Wilbur the Moose*, John Stadler
- *Cowboy Bunnies*, Christine Loomis
- *Cowboys*, Lucille Recht Penner
- *Batty About Texas*, J. Jaye Smith
- *Texas Mother Goose*, David Davis
- *The Kind Samaritan*, Teresa Olive
- *Jesus, My Good Shepherd*, Erik Rottmann

Next Tuesday, bring an item that has the **short vowel Ee sound** in it. For example, egg or pen, **not** eagle or feet.

LETTERS & NUMBERS

- Introduced Rr.
- Introduced 12. Things related to 12: dozen donuts, dozen eggs, hours on a clock face, months in the year, twelve disciples, 12 pairs of ribs in human body

OUTDOOR LEARNING (Tuesdays)

- We flew kites! It's been beautifully windy, so we had fun with what God gave us. Kids love kites! If you don't own one, I highly recommend the affordable purchase.

SCIENCE (Thursdays)

- What is both a liquid *and* a solid at the same time?
Oobleck! We'll mix water and cornstarch to make this anomaly. Punch it – it's hard as a rock. Drip it – and it drips like a water. It's a non-Newtonian fluid, meaning that it does *not* follow Newton's law of viscosity.

Reminders

If you have any questions, please call/email me or the school office.

- Tuesday, March 3rd – **Science and History Fair** in the gym at **6:30**. Come see our class Science Fair project, and get a peek at what students do in upper grades.
- Thursday, March 5th – Spring portraits.
- March 9-13 – **Spring Break**. No school and no extended care.
