MOORE NEWS

Your child may have come home this week and mentioned that my mother-in-law did go to meet Jesus this past Monday morning. Thank you for your prayers and understanding as I had to leave Houston Thursday for a Friday Celebration of Life service in Amarillo.

You may notice a couple of TBA listed for Religion and English. I do know that we will continue with our curriculum but don't have the lesson names with me.

Nightly practice of Latin Vocabulary and Multiplication facts is necessary for scholar mastery of each subject. We USE multiplication throughout our year in Math, so this needs to be automatic.

We ALL need support navigating safely through the ever-changing technology universe! Have you joined Parent ProTech yet? Make sure you take advantage of this resource to aid your child(ren) as they grow up in this fast-paced, ever-increasingly dangerous, environment. See the newsletter for the link to join!

I look forward to returning to the classroom Wednesday. Please continue to be patient as I assess what was accomplished in my absence so that I can continue to guide your child to the knowledge they need.

NOTES FROM YOUR PTL

Annual Scarecrow Contest

This wonderful OSL tradition continues and will be open for entries starting **Sept. 23rd** so start talking to other families now to plan your Scarecrow's theme. Submissions will fall into two separate categories for judging and prizes: Families and Classes. Scarecrows will be judged on criteria including theme (originality, creativity, family friendly, **no scary Halloween themes**), overall display (stuffing, hair, clothing, accessories, etc.) Look for the sign-up genius link in the upcoming newsletters and please contact Nicole Hale with any questions at NHale2015@gmail.com

SCHOOL REMINDERS

Exciting Partnership with Smart Families

At Our Savior Lutheran School, we are committed to creating a safe, focused, and engaging learning environment for our Eagles. This year, we are excited to partner with Smart Families, an organization that helps parents understand the impact of technology and provides tools to support healthy habits at home. OSL has long operated as a technology-free campus to encourage meaningful engagement in our Classical Lutheran curriculum, and this partnership helps families understand the science behind these intentional choices.

We invite all families to adopt four shared norms to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day.

IN CASE YOU MISSED OUT ON ANY OF THE SMART FAMILIES PRESENTATIONS-
Go to the school newsletter and access the archived version. Listening to each of them will be well worth your time!

Annual Fund - Donate Today!

Through our annual fund, we seek to ensure that our school continues to provide high-quality Christian education to all our scholars, regardless of their financial circumstances.

All gifts will allow Our Savior Lutheran School to go above and beyond for its scholars and families. We have a lofty goal this year for our #EagleFund of **\$100,000**.

Please help us meet our end of year budget needs by supporting this year's #EagleFund campaign!

If we reach our goal by December 31, our scholars will get an extra day of Winter Break in February!

Thank you in advance for your support. We can't do this without you!
