Mrs. Spangler's Kindergarten Newsletter

Week 5 – Trinity 12

OUR SAVIOR
LUTHERAN SCHOOL

Kindergarten Families,

We had a great week in Kindergarten! Make sure to look through the work that comes home in Friday Folders. There may be notes written in the margins. Please pay attention to page 2 of the newsletter for a running list of phonemes and lock words that have been taught.

Only uniform sweaters and jackets are allowed in the classroom. Please consider converting shoes with laces to no tie laces. There are several options on Amazon. Only uniform colors are allowed for hair bows/headbands. (navy, green, white, black, chapel plaid)

We are now sitting in houses with our chapel buddies during chapel! Please see the chart on page two of the newsletter to see your child's house, buddy, and family assignments. *If you are joining us for chapel, you can grab your child from our line as we walk through the Narthex and sit in the chairs that line the back wall behind their house.* There is a seating chart attached to this email showing where each house sits in the church.

We will make applesauce on Friday, September 12! Please send a peeled, cored, and diced apple in a baggie on Friday!

Please make sure you have read the School Newsletter.

Thank you,
Mrs. Spangler

Looking Ahead

The phoneme for the upcoming week is highlighted.

Lock Words

a, and, black, is, on, the

Parents, using a “**tap, map, write, and read**” routine is a great way to practice our lock words. **Tap:** Tap out how many sounds are in the word. This can be done with fingers or tokens. **Map:** If the word has 3 sounds, draw 3 lines or sound boxes. Then have your child write the letters in the box that correspond with that sound. **Write:** Have your child rewrite the word, making a list of all words practiced. **Read:** Have your child read the list of lock words they just practiced. Talk about word meaning and ask if they can use the word in a sentence!

This process helps facilitate orthographic mapping. Orthographic mapping is the mental process of storing words in long-term memory for instant retrieval!

The lock words for the upcoming week are highlighted.
