

News for Kindergarten

March 28, 2024

Dear Parents,

I have great news! My son and daughter-in-law had their 3rd child this week. He is beautiful! While they are in the hospital we have been busy taking care of the other 2 grandchildren, age 1 and 3.

Mr. Mushinski came to talk about bees with the class. He does pest control. He showed us his bee suit and equipment. Take a look at the pictures on google photos.

OSL has a wonderful Good Friday Tenebrae service and a great Easter celebration. You are invited to come worship with us. The dramas are also a great way to bring the story to life.

Our Easter Party will be Tuesday at 2:15. Parents are invited.

We now have caterpillars! It is so exciting to see them make a chrysalis and emerge as butterflies. We also have an ant farm. They made lots of tunnels. The worms are also making tunnels.
