

## News for Kindergarten

May 10, 2024

Dear Parents,

Thank you so much for all the wonderful birthday treats and teacher appreciation goodies! It has been an awesome week. Your kindness is such a blessing. Thank you from Mrs. Duerr and me.

We are in the final stretch of school. Keep going strong! Remember to read everyday. Get enough sleep. And be here at 7:45. It is inspiring to see how much your children have grown and learned. Please keep them reading over the summer.

Kindergarten promotion and ECE program will be this coming Thursday at 9:30. We will have art work displayed in the cafeteria that you can look at prior to the program in the church. Our class will stand on the left side of the center. You will get the best view from the first 2 sections on the left of John the Baptist or from the balcony in the first couple of rows.

Please donate to the Eagle Fund. Any amount counts. We will get a free dress and hopefully even more if everyone participates.

Now is the time to enroll in Summer Camp for scholars up to 4<sup>th</sup> grade.

This Week:

Religion: Heaven

Math: half, money

LA: qu says /kw/

Literature: Q and U call it Quits, The Quilt, The Liberty Bell
