Trinity 14

Dear Parents,

We have started blending words. We will blend real words and nonsense words. We also started dictation twice a week. I say a word using the sounds we have learned, and the scholars write it. The one that we did on this last Wednesday, I walked them through the whole thing. We did it as a group. I wrote practice on that paper.

FLUENCY SHEETS are the papers with rectangles and words in them. Please save them and practice them often. The scholar should read them to improve fluency. You can make it fun by timing them and seeing if they can get faster. Some of the fluency sheets we will practice in class, but not all of them.

If you are bringing lunch to your scholar, please let us know in the morning by telling us or putting a note in the folder.

Remember to return library books on Friday.

Grandparents Day is coming up very soon. It is Friday, Oct. 10. It would be great for everyone to have someone special come to school that day. It can even be Mom, Dad, Aunt, Uncle or a family friend. School will be dismissed at 11:30 that day.

The OSL book fair will be going on the week of October 6-10.

Please try to have your scholar to school by 7:50. They can come into the room at 7:40. They always need to unpack and have something to do at their desk. We line up at 7:58 and walk out the door at 8:00.

This week:

Religion: Joseph—Joseph had some very bad things happen to him. Yet God was with him and turned it into good. He also forgave his brothers. What bad thing has God used for good in your life?

Math: We printed 4 and 5. We counted 0-9 items and wrote the number. We are counting the days of school and are up to 27.

Phonics: We worked on the letter Dd. We made dogs out of Dd. We listened for words that start with /d/. We printed c, o, a, and d.

Lock Words: brown, white, said

Literature: The Greedy Dog and the Bone, The Ugly Duckling, Do Like a Duck Does, Little Cloud
We finished Winnie the Pooh..

Art: The Sleeping Gypsy by Henry Rousseau.

Science: We started learning about day 2 of creation. We introduced the three states of matter, gas, liquid, solid. I made a cloud in a jar. We are learning about evaporation and condensation.

Geography: Animals of Asia: camels and giant pandas

Next Week:

Religion: Moses

Memory: I will not be grading memory. We will continue to practice the 10 commandments, the Psalm 23, and the books of the Old Testament. Ask your child to say the 10 commandments.

Math: counting, greater and less, patterns, circles

Phonics: Gg. We will be focusing on the hard g sound like in goat.

History: Land marks in Asia : The Wailing Wall, Golgotha, The Taj Mahal, The Kremlin, St. Basil's Cathedral, The Great Wall of China, and the rice terraces.

Science: States of matter and thermal energy

In His Service,
Debbie Armstrong
