## Week 9 - Trinity 16

### Science

6th and 7th grade will be learning how magnetic fields are created. 8th grade will continue their lesson on the Wonder of Seeds, partnering with the mentor from Planting Science. This week they are planning their research project. 8th grade scholars will also begin their study of the cell.

### Algebra I

Scholars will write equations of lines in slope-intercept form. The timed quiz for adding with regrouping is Monday. Lesson 7 Test is Thursday, October 9.

**Parent - Teachers conferences are October 15, & 16. Please look for information coming soon on how to sign up.**

**Save the Date - RSVP Guests**  
**Grandparents/VIP Day - Friday, October 10**

## We're Listening: Parent Pulse is Here!

### Planners:

Parents, please check your child's planner to see what they have been doing in class. We are working on helping them become more organized so there is less worry about homework and missing grades.

Bids for Kids Kicks off October 22nd!

**SMART FAMILIES**  
**FAMILY LEAD ONLINE TALKS**

Gain practical knowledge and strategies to bring the Smart Families mission into your own school.

## Join the PTL Volunteer list!

### Extra Credit Science:

What are the Noble Gases and why are they referred to in that manner?

### OSL Astronomy Club

# Support #EagleFund!

## Annual Fund - Donate Today!

Through our annual fund, we seek to ensure that our school continues to provide high-quality Christian education to all our scholars, regardless of their financial circumstances.

All gifts will allow Our Savior Lutheran School to go above and beyond for its scholars and families. We have a lofty goal this year for our #EagleFund of **\$100,000**.

Please help us meet our end of year budget needs by supporting this year's #EagleFund campaign!

**If we reach our goal by December 31, our scholars will get an extra day of Winter Break in February!**

Thank you in advance for your support. We can't do this without you!
