

Mrs. Prestwood's Ponderings

Third Grade

OUR SAVIOR LUTHERAN SCHOOL

Jesus Calls You!

Blessed 21st week of school! Last week, we learned about Jesus' baptism and how He called His disciples to be fishers of men. We also learned that this is what Jesus calls us to do in our lives. Next week. We will learn about Jesus' first miracle, Jesus overturning the tables of the moneychangers in the temple, and Jesus talking to the Samaritan woman at the well. These are all things that Jesus did throughout His ministry as only He could as true God and true man. What a mighty and loving God we serve!

MATH

Last week, we learned to skip count by 7's and different conversions for measurements. Next week, we will memorize our 7's multiplication facts and start multiplying by 100. Please go over multiplication facts from each table for 5 minutes each night. This will help the children retain the facts better.

Test on Friday, Jan. 23.

GRAMMAR

Last week, we continued learning about conjunctions, specifically AND, OR, and BUT. Next week, we will continue to work with this part of speech as the children learn compound sentences and comma splices.

LATIN

Last week, we completed Lesson VIII and took a test over the vocabulary and Latin saying as well as the information that "due" means and. Next week, we will learn the difference between 1st declension endings and 2nd declension endings.

Test retake will be on 1/22 for those whose grade was below 85.

"Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him.
Psalm 98:1

Looking for a home church? Join us on Sunday at **Our Savior Lutheran Church!**
Bible class - 8:15

Church - 9:30

Sunday School for all ages - after church

HISTORY

Last week, we learned about the Vikings, including Eric the Red. We will not have geography due to the field trip on Friday. Next week, we will learn about Cyril and Methodius, missionaries to the Slavs and Alfred the Great.

Second deadline for history fair project is February 6.

SCIENCE

Last week, we learned about John Philoponus and the fact that he learned that the world had a definite beginning and will have a definite end. Next week, we will learn about Aristotle and how he discovered that a projectile's distance traveled will be affected by the medium through which it travels.

Important Reminders

- **Math chapter 18 test - Friday, Jan. 23;**
Memory Work test - Friday, Jan. 23
- **Father-Daughter Dance - Saturday, Jan. 24**

Spirit Night at Tony's Mexican - Thursday, January 22

Father-Daughter Dance - Saturday, January 24

January 25-31 - National Lutheran Schools Week

Learn By Heart, Week 21, Epiphany 1

The Lord's Prayer - 7th Petition

But deliver us from evil. **What does this mean?** We pray in this petition, in summary, that our Father in heaven would rescue us from every evil of body and soul, possessions and reputation, and finally, when our last hour comes, give us a blessed end, and graciously take us from this valley of sorrow to Himself in heaven.

"But the Lord is faithful. He will establish you and guard you against the evil one."
