Easter

April 2, 2026

Dear Parents,

OSL has a wonderful Good Friday Tenebrae service at 7:00 and a great Easter celebration at 9:30. You are invited to come worship with us. After the services there will be a drama of Jesus crucifixion and resurrection.

We had fun tricking the scholars on April 1 with a brown e, followed by a brownie.

Tuesday April 14 is a PTL meeting and a Smart Family presentation. A free dinner will be offered before the meeting. Please RSVP. It begins at 5:30.

April 20 we will be going to the Butterfly Center. If you are interested in chaperoning this fieldtrip, please let me know (there are 6 chaperone spots left). We will return to OSL and have a picnic here.

Our Easter party will be on Tuesday, April 8.

This week:

Religion: Jesus is crucified for our sins. He paid the price for us and won the victory!

Math: counting area by 2s, 5s, and 10s

Phonics: letter v

Literature: For Pete's Sake, How Birds Fly, How the Zebra Got His Stripes, Honey, Honey, Lion, Good Morning, Gorillas (A Magic Treehouse book), The Baobab Tree

Science: Feathers are waterproof. The shape of a bird's wing helps him fly.

Geography: Africa

Next Week:

Religion: Jesus is risen!

Memory: none

Math: Counting minutes on the clock

Phonics: letter x /ks/

Science: butterflies

Geography: Landforms and animals in Africa

Art: Girl with a Watering Can

In His Service,

Debbie Armstrong
