Honor Roll!!! Keep up the hard work and focused determination! YOU CAN DO IT!

**Nightly practice of Latin Vocabulary and Multiplication facts** is necessary for scholar mastery of each subject. We USE multiplication throughout our year in Math, so this needs to be automatic.

We ALL need support navigating safely through the ever-changing technology universe! **Have you joined Parent ProTech yet?** Make sure you take advantage of this resource to aid your child(ren) as they grow up in this fast-paced, ever-increasingly dangerous, environment. See the newsletter for the link to join!

### SCHOOL REMINDERS

#### Smart Families

We invite all families to adopt four shared norms to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day.

**IN CASE YOU MISSED OUT ON ANY OF THE SMART FAMILIES PRESENTATIONS-**  
Go to the school newsletter and access the

archived version. Listening to each of them will be well worth your time!

### Annual Fund - Donate Today!

Through our annual fund, we seek to ensure that our school continues to provide high-quality Christian education to all our scholars, regardless of their financial circumstances.

All gifts will allow Our Savior Lutheran School to go above and beyond for its scholars and families. We have a lofty goal this year for our **#EagleFund of \$100,000.**

Please help us meet our end of year budget needs by supporting this year's #EagleFund campaign!

**If we reach our goal by December 31, our scholars will get an extra day of Winter Break in February!**

Thank you in advance for your support. We can't do this without you!
