

Week 22

Transfiguration

This week we focused on family gatherings during the settler days in Little House in the Big Woods, identifying up to the hundred thousand place in math, introduced Aristotle in science, began writing a three-point explanatory paragraph on our favorite activities, and continuing through the lowercase alphabet in cursive. We also learned about the Olympic games in history and had our own second grade Olympic games!

I ask that you please look over the OSL dress code and make sure that your scholar is in compliance. I will be writing dress code violations for scholars who are out of uniform. Most common violations: shoes, jackets, no belt (with bottoms that have belt loops), hair accessories, chapel shoes not on chapel day. Please make sure both tops and bottoms are from Flynn O'Hara.

Please make sure to send your child with a morning snack and their water bottle. Hungry tummies make learning hard. I sometimes have extra fruit that I bring to give to those who did not bring a snack, but not often. There is quite a stretch between breakfast and lunch!

Please read the parent newsletter from OSL so you don't miss any important information or exciting opportunities! This week please be on the lookout for these important events: **National Lutheran School's Week, Eagle evening**, I will post the dates below in the Notable News and Announcements section. If you have any questions, I am happy to answer them, or you can direct them to the OSL 2nd grade WhatsApp!

Yours in Christ,

Gillian Wagner-Main
