

Week 3

Trinity 10

Greetings from 2<sup>nd</sup> grade! I was happy to be able to meet with you all during Back to School Night and give you a snapshot of what your scholars will be doing this year. I have e-mailed a copy of the PowerPoint to each of you. Please reach out if you have any questions. Last week we added history and science to our curriculum. This week we will be introducing Latin. Once our Phonemic Awareness assessments are completed, we will add reading and phonics!

Please make sure that you read through the school newsletter carefully for information about drop-off and pick-up procedures, as well as traffic flow. Note that you can now begin dropping off at 7:35. If your scholar is not in the classroom by 8, they will need to go to the office for a tardy slip.

**!! When you exit campus during high traffic arrival and dismissal hours, you must TURN RIGHT on Tidwell and use the U turn, if needed. This will allow traffic to flow much more quickly as we leave campus. !!**

Scholars should have a water bottle and a snack sent to school with them daily (or ordered through the school). Hungry tummies make learning hard! Please have hot lunches and snacks ordered by 6 am!

Next week's lesson plans, homework, and test dates can be found on RenWeb. We have lots of exciting things to learn this week, and I am looking forward to another week with your lovely scholars.

Yours in Christ,

Gillian Wagner-Main
