

4th Grade Weekly Notes

Mrs. Kleb

March 22, 2024

Greetings,

Re-enrolment began January 1. The registration fee for January is \$600.

Summer camp enrollment is for up to 4th grade. Sign up should start on January 15.

I am sure it is no secret that we have been holding an annual Eagle fund. We are excited that many families have participated in this year's campaign. Our goal is \$50,000, and our desire is to have 100% participation at whichever level makes sense for our community's families. When an entire class donates to the Eagle Fund, the class will receive a free dress day. If each family just donates \$10, we will be able to get our free dress day! When the school reaches \$50,000, we will not have school on March 8, 2023. We have achieved our goal of \$50,000 and will be given March 8 off! One extra day of Spring Break! We invite you to continue to donate so we can also earn a free dress day for our class!

There will be a solar eclipse April 8, 2024, from 1:15-2:00 p.m. The school will be providing the children with solar eclipse viewing glasses. Grades 3-8 will be going out on the soccer field to watch it, and parents are welcome to come and view it with their child. If you choose to take your child home afterwards, you will need to check them out in the office.

Reading- We will continue working on the fable, "The Fox and the Grapes." They will be finishing up with writing their fables by Thursday.

English- We will continue chapter 12 on object of the prepositions and principle parts of verbs.

Math- We are continuing our study of long division. To help them remember the steps, I tell them to say divide, multiply, subtract, bring down, start over, divide, multiply, subtract, bring down. They repeat the steps until they run out of numbers to bring down. There will be a test on Friday, April 5.

Latin- We are finishing up lesson 15. There will be a test on Thursday, March 28.

Science- We will started our study of insects again. The first order we will continue with is Lepidoptera, butterflies and moths. There will be a quiz on the order Lepidoptera on Thursday, March 28.

History- The next topic is Shakespeare. There will not be any assignments for this lesson.

Dates to Remember
