Friday, September 26, 2025

- 8 VB v. Memorial @ Memorial 4:30 PM

Planners:

Parents, please check your child's planner to see what they have been doing in class. We are working on helping them become more organized so there is less worry about homework and missing grades.

Week 7 - Trinity 14

Science

6th grade will be learning outdoor education this week. 7th grade will learn the Scientific Method to prepare them for the Science Fair projects. 8th grade will begin their lesson on the Wonder of Seeds, partnering with the mentor from Planting Science. 8th grade will also take a deeper look at DNA. 8th grade has a quiz Monday on the Axial Bones of the human body. We have been practicing for two weeks.

Algebra I

Scholars will be assessed on plotting points on the Cartesian plane on Wednesday. Scholars will begin to graph equations of lines from real world problems. The timed quiz for adding with regrouping is Monday.

We're Listening: Parent Pulse is Here!

🍂 Annual Scarecrow Contest 🍂

This wonderful OSL tradition continues and will be open for entries starting **Sept. 23rd** so start talking to other families now to plan your Scarecrow's theme. Submissions will fall into two separate categories for judging and prizes: Families and Classes. Scarecrows will be judged on criteria including theme (originality, creativity, family friendly, **no scary Halloween themes**), overall display (stuffing, hair, clothing, accessories, etc.) Look for the sign-up genius link in the upcoming newsletters and please contact Nicole Hale with any questions at NHale2015@gmail.com
