

Scientia et Mathematica

Our Savior Lutheran Quadrivium

6th & 7th Science

This week, scholars are exploring light and sound as we further explore kinetic energy

8th Science

We are completing our projects of growing plants. Scholars are also studying bacteria as it is both dangerous and necessary for human life.

Algebra I

Scholars will finish practicing writing and graphing linear inequalities. Scholars will graph more than one line at a time.

Tests:

Alg I - Dec 2: Ch 12

Labs:

Dec 1 - 6th & 7th

Dec 3 - 6th & 7th

Week 16 - Advent 1

This week, we begin the preparation for the arrival of Jesus. We celebrate His birth and anticipate his return. Join us as we celebrate this month.

Wednesday Advent Services • December 3, 10 & 17 @ 7:00 PM

Christmas Eve Candlelight Service • Wednesday, December 24 @ 6:00 PM

Christmas Day Service with Communion • Thursday, December 25 @ 9:30 AM

New Year's Eve Service with Communion • Wednesday, December 31 @ 7:00 PM

Memory Work

Jesus answered, "Truly, truly, I say to you, unless one is born of water and the Spirit, he cannot enter the kingdom of God. John 3:5

The Second Petition of the Lord's Prayer:
Thy kingdom come.

What does this mean?

The kingdom of God certainly comes by itself without our prayer, but we pray in this petition that it may come to us also.

How does God's kingdom come?

God's kingdom comes when our heavenly Father gives us His Holy Spirit, so that by His grace we believe in His Holy Word and lead godly lives here in time and there in eternity.

Science Fair - 7th

Scholars will be needing to nail down their topic for the Science Fair this week. The testable question with their independent and dependent variables needs to be signed off by Mr. Prestwood no later than Dec 5. We already have a lot of great ideas from what they are talking about. However, as their parent, you **can** say no to a project. Research on the project needs to be completed before the Christmas Break.

Planting Science - 8th

Our projects are coming to a close. Ask your child about their project and what they learned from it.
