## OUTDOOR LEARNING (Tuesday afternoon)

- We reenacted *The Three Billy Goats Gruff* outside on bridge near the big kid playground. Everyone who wanted to took a turn being either the troll or a billy goat.

## SCIENCE (Thursday)

Glow in the Dark Water. Water can glow (or not glow) under fluorescent light, depending on whether there is bleach added: bleach breaks the chemical bonds and stops the water from glowing.

### Reminders

If you have any questions, please call/email me or the school office.

- Please consider supporting this year's **Eagle Fund**! We have a lofty goal of \$100,000 to meet our budget needs for this calendar year. *OSL is committed to teacher and staff development, safe grounds, rich curriculum, and quality materials.* This all takes more funds than tuition can provide. We hope that you see the value in the education we provide and that you will consider donating towards this year's Eagle Fund.
- Friday, Oct. 10 – **Grandparent's Day and Early Dismissal at 11:30**
- Monday, Oct. 13 – **No school**
