The Greatest Valentine the World Has Seen!

In John 3:16, God gives us the greatest show of love as He sends His Son to the cross as an eternal act of love for the whole world. While the world celebrates earthly love for one another, we should always strive to show the love that Christ shows for us - *Agape* - or unconditional love. As much as we strive for that though, even on such a day as Valentine's Day, we will never achieve that type of love. This is why it is so important that we always remember the love and grace that we receive freely and daily from Christ our LORD - the greatest love ever shown!

“Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him.
Psalm 98:1

Memory Work: What benefits does baptism give? It works forgiveness of sins, rescues from death and the devil, and gives eternal salvation to all who believe this, as the words and promises of God declare. **Which are these words and promises of God?** Christ our Lord says in the last chapter of Mark: "Whoever believes and is baptized will be saved, but whoever does not believe will be condemned."

"[H]e saved us, not because of works done by us in righteousness, but according to his own mercy, by the washing of regeneration and renewal of the Holy Spirit." Titus 3:5
