Mrs. Spangler's Kindergarten Newsletter

Week 12 – Trinity 19

Kindergarten Families,

We had a great week in Kindergarten! We surprised the scholars by celebrating 50 days of school! Ask them what we did!

Great job practicing our readers at home! I know it's not always easy to have your child do more schoolwork after a long day at school, but all that practice is paying off! I was blown away with how well everyone was reading our story today! Lutherfest is this Sunday! I hope to see you there! Please refer to the school newsletter for more information.

Your child grows every day, but their uniforms don't! *If shirts are too short to stay tucked in or skirts/dresses are more than two inches above the knee, it is time to call Flynn O'Hara or visit the OSL resale shop.*

I have several items I still need help with for our Advent calendars! I'll like the sign up genius to this email.

Turkeys are in Friday Folders. Your child can disguise the turkey anyway they choose, so they are not chosen for Thanksgiving dinner! **Please return by November 7.**

Eagle Fund has started! Please consider giving using the QR code on the bottom right corner of this newsletter or the link in the school's newsletter!

Please make sure you have read the School Newsletter.

Thank you,
Mrs. Spangler

Lock Words

a, and, black, is, on, the, white, brown, said, see, stop, to, for, go, get, l, like, no, red, her, ouch, want, will, with

Parents, using a "**tap, map, write, and read**" routine is a great way to practice our lock words. **Tap:** Tap out how many sounds are in the word. This can be done with fingers or tokens. **Map:** If the word has 3 sounds, draw 3 lines or sound boxes. Then have your child write the letters in the box that correspond with that sound. **Write:** Have your child rewrite the word, making a list of all words practiced. **Read:** Have your child read the list of lock words they just practiced. Talk about word meaning and ask if they can use the word in a sentence!

This process helps facilitate orthographic mapping. Orthographic mapping is the mental process of storing words in long-term memory for instant retrieval!

The lock words for the upcoming week are highlighted.
