

Mrs. Prestwood's Ponderings

Third Grade

OUR SAVIOR LUTHERAN SCHOOL

Slipping into the Seventeenth Week

Last week was a blessing as we started the season of Advent, preparing once again to celebrate the birth of our LORD. We have our Advent wreath up as well as our "Jesse Tree" Christmas tree. We continue to look forward anxiously for the celebration of Christmas! Next week on Friday, we will be having quite a few tests, so please continue to study a little each night. The kids are doing really well taking the tests and remembering the information, so I have every confidence they will be able to handle this week as well!

MATH

Last week, we learned our 6's multiplication table which was fun for all involved. Ask your scholar what 6 x 7 equals! Next week, we skip count by 4's and learn how to recognize patterns with the 4's. We will also learn that 4 quarts equals a gallon. (This also reinforces our Latin numbers as "quarter" comes from quattor!)

Math Test on 12/12

GRAMMAR

Last week, we continued practicing with pronouns and classifying sentences that contain possessive pronouns. Next week, we will continue to review pronouns.

Grammar Test on 12/12!

LATIN

Last week, we began Lesson VII and learned new vocabulary and a new declension. Continue to study flash cards at home and the different chants we have learned. Latin is a subject that builds on itself!

Latin Test on 12/12.

"Oh sing to the
LORD a new song,
for he has done
marvelous things!
His right hand
and his holy arm
have worked
salvation for him.
Psalm 98:1

Looking for a home church? Join us on Sunday at **Our Savior Lutheran Church!**
Bible class - 8:15

Church - 9:30

Sunday School for all ages - after church

HISTORY

Last week, we learned about the Sui and Tang Dynasties of China and Muhammed and the birth of Islam. Next week, we will learn more about Islam as well as Al-Andulus in the Medieval ages in Spain.

SCIENCE

Last week, we studied Galen and the nervous system and how it works in our bodies. Next week, we will do an experiment to see how fast messages are sent in the nervous system and what happens when there is a breakdown of the nervous system.

Important Reminders

- **Memory work - Friday, Dec. 12; Math test - Friday, Dec. 12; Literature Test 11-20 - Friday, Dec. 12; Latin 7 Quiz - Friday, Dec. 12**
- **Grades 5-8 Spelling Bee - Friday, Dec. 12—Congratulations to Knox, who won 2nd place and will be representing the 3rd grade next week!**

Look at These Important Dates!

Every Friday - Donut Friday (Bring \$1 to support 8th grade trip and get a donut!)

Advent church services - Wednesdays in December (10, 17) - 7:00

Friday, December 12 - Grades 5-8 Spelling Bee with 1-4 winners

Tuesday, Dec. 16 (7:00) - 3-5 Christmas Program

Learn By Heart, Week 17, Advent 2

- Thy will be done on earth as it is in heaven.

What does this mean?

The good and gracious will of God is done even without our prayer, but we pray in this petition that it may be done among us also.

How is God's will done?

God's will is done when He breaks and hinders every evil plan and purpose of the devil, the world, and our sinful nature, which do not want us to hallow God's name or let His kingdom come: and when He strengthens and keeps us firm in His Word and faith until we die. This is His good and gracious will.

"For I know that nothing good dwells in me, that is, in my flesh. For I have the desire to do what is right, but not the ability to carry it out." Romans 7:18

Thank you to all who have donated so far to our Soaring Eagle fund! We are so close to reaching our goal, we can practically taste it. Please consider donating today to help us reach the top!
