

Week 36 Easter 6 (Rogate)

Greetings 2nd grade family!

I would like to extend a heartfelt THANK YOU for all the love and appreciation I received last week from the parents and the children. This year has been such a blessing and has healed my heart in so many ways. Watching your scholars grow in their education, relationships, and faith has been so rewarding. Thank you for entrusting your scholars to me. I have enjoyed every moment.

This week we worked through subtraction across the ten-thousands. They have gotten faster with their math facts, and I encourage you to keep practicing over the summer to keep them sharp for multiplication in 3rd grade. Next week in math we will be learning how to read gauges and thermometers.

We are continuing to read *The High Hills* by Jill Barklem in literature. They are enjoying the adventurous story!

In English we are learning to identify interjections and exclamatory sentences and will continue that through the next week.

In History we learned about great deeds of Darius I and Zerubbabel, and about the prophets Haggai and Zechariah. Next week we will be learning about the Roman Republic, the Battle of Marathon, and Herodotus.

In science we will learn about Hipparchus and the moon and complete the experiment: Blocking Balls.

In Latin we will learn about constellations and their Latin names.

The Spring Arts Festival will be next Tuesday. Our grade will perform at 5:00. Scholars should be in uniform and arrive no later than 4:50. I encourage everyone to come out and see their beautiful art work and hear them lift their voices in song. It will be lots of fun!

Before you get into summer vacation mode, be sure to take care of all the end of year details! Please...

- **Return ALL Library Books** and pay outstanding fines (if any)
- **Return Sports Uniforms**
- **Pay any outstanding charges** in your FACTS account.
- **Check Lost & Found** -- all unclaimed items will be donated or moved to resale once the year ends.
- **Collect all medications stored in the school office by the last day of school.**

is getting HOT!!!! Please make sure to send your scholar to school with a water bottle. The mansions are far away from the water fountains, and it is not ideal for scholars to leave in the middle of the lessons to go get water. We fill up water bottles twice a day.

Summer camp registration is now open for enrollment!

School Supply Ordering Now Available!

Please read the parent newsletter from OSL so you don't miss any important information or exciting opportunities! If you have any questions, I am happy to answer them, or you can direct them to the OSL 2nd grade WhatsApp!

Yours in Christ,

Gillian Wagner-Main

This week our scholars will be learning:

Science	Hipparchus
Math	Reading gauges and thermometers
Religion	Jesus' Death and Resurrection
Latin	Constellations
Read A-Loud	One Morning in Maine by Robert McCloskey
Handwriting	Cursive- lowercase and capital letter review

Memory for the week of May 10:

Who receives this sacrament worthily?

Fasting and bodily preparation are certainly fine outward training. But that person is truly worthy and well prepared who has faith in these words: "Given and shed for you for the forgiveness of sins." But anyone who does not believe in these words or doubts them is unworthy and unprepared, for the words, "for you" require all hearts to believe.

Here is a list of the lock words that we learned last quarter. Please review them with your scholar on occasion to reinforce their learning: new, we, because, sister, like, for, are, he, her, be, friend, toward, around, could, took, where, what, against, board, saw, cool, walk, many, shore, their, done, would, out, sea, bay, there, down, should, away, who, your, wants, toward, dragon, may, goes, love, herself, above, once, oh, now, our, danger, way, keep, good, friend, they, once, care, many, walks, each, one, wait, along, two, sights, watch, going, ready, wait, familiar, together, every, day, goes, favorite, listen, love, onto, good, easy
