

Mrs. Prestwood's Ponderings

Third Grade

OUR SAVIOR LUTHERAN SCHOOL Soaring Into Week 7!

This week, we learned about optics and Euclid in science, broadened our horizons to learn more multiplication tables, and took several different quizzes - Paddington, Learn by Heart, Geography, and Math. It seems like days are flying by, but we always seem to have fun. Thank you for the lovely lunch on Friday as I celebrated my birthday with a little Mexican food and some cupcakes. The best things, however, were the notes and hugs from the students! I am truly blessed!

MATH

Last week, we learned how to multiply by 10 and how to apply that to real life situations. This week, we will add the knowledge of the 5's table as well as real life applications for multiplying by 5. We are also working hard on decoding word problems.

GRAMMAR

Last week, we learned about 4 types of sentences and reviewed the parts of speech that we have learned thus far. Next week, we will learn about prepositions and objects of prepositions.

LATIN

Last week, we learned several new vocabulary words as well as the ending for nouns when we have a 1st declension noun. We have also learned a new chant to help us memorize what endings to use. We will continue learning this concept this week.

"Oh sing to the
LORD a new song,
for he has done
marvelous things!
His right hand
and his holy arm
have worked
salvation for him.
Psalm 98:1

Looking for a home church? Join us on Sunday at **Our Savior Lutheran Church!**
Bible class - 8:15

Church - 9:30

Sunday School for all ages - after church

HISTORY

Last week, we learned about Bar-Kokhba, an evil ruler, and the Apostle's Creed and how we continue to use that in church today. Next week, we will learn about Diocletian and about St. Valentine.

SCIENCE

Last week, we learned about Euclid and the Law of Reflection. We saw how light makes angles when it is reflected into a mirror. This week, we will head back to Hero of Alexandria and what he discovered about mirrors and reflections.

IMPORTANT REMINDERS

- **Geography test retake - Monday, 9/22; Chapter 6 Math Test - Friday 9/26; Memory Work due - 9/26; Lesson III Latin Test - Friday, 9/26**

Blood Drive - September 27, 8:00-12:30 (lower level of church)

October 10th - Grandparents Day! (More information coming!)

Learn by Heart Memory - Week 7, Trinity 14

- ▶ **What does God say about all these commandments?** He says, "I the Lord your God am a jealous God, punishing the children for the sin of the fathers to the third and fourth generation of those who hate Me, but showing love to a thousand generations of this who love Me and keep My commandments.
- ▶ **What does this mean?** God threatens to punish all who break these commandments. Therefore, we should fear his wrath and not do anything against them. But He promises grace and every blessing to all who keep these commandments. Therefore, we should also love and trust in Him and gladly do what he commands.
- ▶ *"For whoever keeps the whole law but fails in one point has become accountable for all of it." James 2:10*

IT IS THE MISSION OF SMART FAMILIES TO HELP COMMUNITIES CREATE A HAPPIER, HEALTHIER AND MORE INTENTIONAL LIFESTYLE FOR FAMILIES THAT ENGAGE WITH TECHNOLOGY IN A MANNER THAT IS RESPECTFUL OF OUR INNATE HUMAN DIGNITY.
