
LITERATUS LINGUA

MRS. WEIDER

Grammar/Literature

This week in Shurley English we will work on Verbs. Verbs are an essential part of learning any language. Like Latin, English verbs have principal parts. We will dive deeply into the characteristics of verbs.

We are now reading our final novel of this school year, **The Bronze Bow**. This novel has been a blessing to me since I first read it with my own children years ago. It is a narrative version of the Gospels. The setting is Galilee and is centered around a young man named Daniel bar Jamin. This book is very "readable" for Grade 6, and it's possible that some of the chapters will be assigned for reading at home, but we will read together in class for the most part. Look for the reading guides to come home!

He is Risen!

Of all the church calendar, Easter is my favorite. No other day compares to the JOY of the empty cross, of the fulfillment of the promises, of a secured future with God in Heaven.

One of my favorite stories from Scripture is the story of the Road to Emmaus found in Luke 24:13-35. Jesus has bodily risen and he is walking on the road with some of his disciples who, *get this*, don't recognize Him! They share their great sorrow over the recent events, but as they walk and talk, Jesus does what He seems to do so well: he explains Truth to them. He showed them, just as he shows us, the truth of the fulfilled Scriptures. They eat together when they reach Emmaus and their eyes are opened to see Jesus. When they see Him, they believe. "Were not our hearts burning within us... while he opened the Scriptures to us?" May the Lord grant us burning hearts and opened eyes as well!
