Week 25 – Quinquagesima

OUR SAVIOR
LUTHERAN SCHOOL

Kindergarten Families,

With the short week next week, we did the intro lesson for the digraph 'sh' today. Your child has their 'sh' decodable reader in their backpack, so they can practice over the break and have more than 2 nights at home with it!

We will have a Go Texan Day parade and performance on 2/26 at 8:30 am.

I am putting uniform violations into FACTS. Please ensure shirts are long enough to stay tucked in and pants and skirts/dresses are an appropriate length. If they are too short, it is time to order a size up! Bottoms with belt loops must have a belt. Please ensure your child has chapel shoes on Wednesdays.

Please consider giving to our Eagle Fund using the QR code on the bottom right corner of this newsletter or the link in the school's newsletter!

Thank you,
Mrs. Engel

The old saying "The clothes make the man." isn't far off. The clothes make the scholar. Thanks for keeping up with all those special dress up days, but thankful that we can get back into our routines and uniforms.

Stone Soup was fun. It's such a great story about what we can accomplish when we work together for the good of everyone.

Lock Words

a, and, black, is, on, the, white, brown, said, see, stop, to, for, go, get, I, like, no, red, her, ouch, want, will, with, yellow, yes, you, bus, in, put, blue, eek, was, look, now, of, down, from, he, out, sun, cannot, has, my, have, help, me, pink, green, bowl, his, they, gave, tail, could, one, she, when, goes, good

Parents, using a "**tap, map, write, and read**" routine is a great way to practice our lock words. **Tap:** Tap out how many sounds are in the word. This can be done with fingers or tokens. **Map:** If the word has 3 sounds, draw 3 lines or sound boxes. Then have your child write the letters in the box that correspond with that sound. **Write:** Have your child rewrite the word, making a list of all words practiced. **Read:** Have your child read the list of lock words they just practiced. Talk about word meaning and ask if they can use the word in a sentence!

This process helps facilitate orthographic mapping. Orthographic mapping is the mental process of storing words in long-term memory for instant retrieval!

The lock words for the upcoming week are highlighted.
