Conference day

Dear Preschool Families

We had a great time learning this week in preschool! We learned about Passover, The Crossing of the Red Sea, and the Ten Commandments. The children enjoyed using map pencils to color the Ten Commandments, and painting a Moon with paint and Glitter. They even learned to splatter paint the “stars” in the sky for their art. We learned the letter M and the /m/ sound. We practiced counting numbers 1-15 and learned the number 5. We also explored black beans and Fall objects in our sensory bin. We used the dot markers to make the number 5 and also practiced counting objects up to 5. Everyone has been enjoying free art at the easel this week. I hope you enjoy your children’s art that will be coming home today. If they have comments about their masterpieces, you will find them written on the back of the paper. Im excited to meet with you all next week for conferences. A sign up genius will go out soon!

Next Friday Oct 20. will be Mrs. Power’s birthday! Since we aren’t here on Fridays, we will celebrate on Thursday the 19th. I will bring cupcakes and if you all want to bring anything else let me know! The kids are so excited and I’m asking them to make her a birthday card as well. Mrs. Powers is a great asset to our classroom and I want her to feel special for sure! We hope that everyone has a wonderful and blessed weekend!

Next week we will be learning the letter L. *We will learn the number 6.* We will practice counting out loud numbers 1-15.

Show & Tell

Show & Tell will be on Thursdays. For Show and Tell next week, children should bring an item that starts with the letter *L*.

Our Savior Lutheran Church

We would love for you to join us on Sundays! Worship starts at 9:30 am with Sunday school for 18 months to adults following the service. All are welcome!
