MOORE NEWS

We have so much knowledge to gain between now and May so PLEASE stress to your child the importance of listening and following directions so that we can learn as much as possible to be prepared for the next level of education. These next few weeks go very swiftly and activities increase. We all want your child to be fully prepared for next year!

Academic workload is increasing in amount and difficulty. Be sure to read through this newsletter, your scholar's assignment planner (please ask to see this as an added emphasis to its importance-next year it will be invaluable!), and FACTS so that you can continue to support your scholar at home. If there is a disparity, your child's planner should be the most accurate, as we write what we actually accomplished in class. STRESS TO YOUR SCHOLAR THE IMPORTANCE OF WRITING ASSIGNMENTS IN THE PLANNER THEY ARE GIFTED. This is the best communication tool (scholar to self and supporting adults) we have.

Also, please be asking your child to see work returned to them. Usually, work is returned on Fridays. However, I do return some assignments that may be valuable study tools for upcoming tests as well as graded tests during the week so that if a test needs to be revisited for mastery-because the score is below 85-there is time to review before retaking. We go through the answers together as a way for all of us to review concepts. I also write on the test the scheduled date of the retest.

Speaking of writing notes on tests/quizzes, remember for any tests (not Math, English, or Latin) or quizzes with grades below 70, scholars will be given an opportunity to fix answers and return. Return by dates are written on the initial copy and a clean copy is attached. DAILY ASSIGNMENTS do not have the option to fix to be regraded. Of course, feel free to have your scholar fix any mistakes for their own benefit because that is how we learn.

LIBRARY VOLUNTEER SPOTS HAVE ALL BEEN CLAIMED! Thank you for your support and willingness to take time out of your schedule so that our scholars can benefit from LIBRARY VISITS!

Healthy scholars experience better academic success! Please help your child make **healthy choices**, like choosing **healthy snacks (not candy)**, washing hands, covering coughs, and getting a proper night's sleep. Absences make learning more difficult since much of our material is presented orally.

I hope all of you are taking advantage of the amazing opportunity that you have been gifted through the Smart Families presentations. The information is extremely valuable in understanding the mental development of your child. **The information is not just about smart phone use.** The last presentation was about Resetting our Hearts! I think this is perfect for Lent. We all need to reset our hearts for a deeper faith walk! If you missed it, be sure to listen to the recording. I know that I've benefitted from these presentations!

Nightly practice of Latin Vocabulary and Multiplication facts is necessary for scholar mastery of each subject. We USE multiplication throughout our year in Math. WE HAVE NOW REACHED CONCEPTS THAT REQUIRES A SOLID, WORKING KNOWLEDGE OF MULTPLICATION so this needs to be automatic. Learning a new language, like Latin, takes constant practice as well.

We ALL need support navigating safely through the ever-changing technology universe! **Have you joined Parent ProTech yet?** It's never too late! Make sure you take advantage of this resource to aid your child(ren) as they grow up in this fast-paced, ever-increasingly dangerous, environment. See the newsletter for the link to join!

SCHOOL REMINDERS

SUBSTITUTES NEEDED! Know anyone interested? Please contact the office for more information about submissions/suggestions.

SALAD BAR comes with hot lunch BUT is for the vegetable and fruit choices only. This trip to the salad bar MUST be done as the scholar receives their tray from the line. They may NOT go back to the salad bar once they have taken their tray to the table and sat down.

UNIFORM CHECK!!! As our scholars grow, so must their uniforms. See the HANDBOOK for specifics to check! REMEMBER LADIES-2 inches above the knee at most for the skirt hem!

Apparel needs to be in good repair (I've noticed many missing buttons and rips). Tennis shoes are to be SOLID white, SOLID black or ONLY WHITE AND BLACK. No other colors, including green.

LADIES: MAKE-UP is reserved for 8th graders only. See the school handbook for more information. **Wearing it will result in a lunch detention.**

THE NEW BUILDING needs furnishings, too, and THIS CLASS will be some of the first to use it! See the School Newsletter for opportunities still available and needs still unfulfilled! Let's be sure our scholars are set for success this fall.

PTL IS LOOKING FOR VOLUNTEERS! See the School Newsletter for the link to their website and check out the options available and which one fits your skill set! Everyone is needed and can help in some way!

Smart Families

We invite all families to adopt four shared norms to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day.

IN CASE YOU MISSED OUT ON ANY OF THE SMART FAMILIES PRESENTATIONS, which include a variety of subjects, not just phone use, go to the school newsletter and access the archived versions. Listening to each of them will be well worth your time and help you become more informed parents (we all would like guidance in this important calling)!

Waiting for a scholar in after school activities to finish or just enjoying the beautiful "winter" weather by playing on our campus? PLEASE have your child(ren) refrain from moving the landscaping rocks! These rocks have a purpose where they are and need to stay in place for everyone's safety. **THANK YOU FOR YOUR ASSISTANCE in supervising your child!** And of course, enjoy our beautiful campus safely and in accordance with school guidelines!

A WAY TO SUPPORT THE OSL YOUTH!

Like to Run/Walk? Join the OSL 5K FUN RUN on March 28th! Register through the School Newsletter.

SUMMER!!!

Our own OSL Summer Day Camp is now open for Registration! Weekly Session Themes, running June 1-July 24, have been announced! Check out the options through the FACTS Family Portal and more details/instructions in the School Newsletter. **DON'T LET YOUR SCHOLAR MISS OUT ON THE FUN!**

Don't forget the 1 WEEK ONLY DRAMA CAMP provided at OSL by the AD PLAYERS.

REMEMBER TO CHECK THE PROVIDED 2026-2027 OSL SCHOOL CALENDAR FOR IMPORTANT DATES when scheduling your family's summer, and other, vacations. These dates are valuable for your scholar's academic success! Missing school days hinders academic progress. THE SCHOOL NEWSLETTER HAS THE LINK.
