

OUR SAVIOR
LUTHERAN SCHOOL

1st Grade Weekly News

Happy Friday!

We worked hard on all our curriculum this week! Started talking more about how to break words down into syllables in order to read and spell them. We also had a special treat and got to hear a concert from the choir from Faith Lutheran High School in Plano Texas. We enjoyed the Oratio finalists' presentations on Wednesday and did a great job saying our piece, the poem *Frogs at School*. Looking forward to Field Day next week! I will be sending an email out with details tomorrow.

Jesus IS with you!

Mrs. Robison

Re-enrollment is in full swing for the 2024-25 school year. We look forward to continuing to serve you and your children! Enrollment fees will increase again May 1st!

Important Dates:

April 22nd – End of 4th midquarter; grades emailed at 3:30

April 26th – First–Fourth Field Day – Lutheran schools in the area gather to compete! **Please set this day aside and make sure to have a guardian there to be with your children.** This is an all day event. More information to come!

If you do not have a church home, we would be happy to have you join us at Our Savior! Services start at 9:30 each Sunday followed with Sunday School classes for 18 months – Adult. Feel free to reach out to me, our Pastors or any of our staff if you have questions!

Memory: Due Friday (4-25):

The Nature of the Sacrament – Week 1

What is the Sacrament of the Altar?

It is the true body and blood of our Lord Jesus Christ under the bread and wine, instituted by Christ Himself for us Christians to eat and to drink.

Academic Update:

Religion- Jesus Appears in Galilee; Jesus Ascends into heaven; God sends the Holy Spirit

Reading – Concept: Y says “e” at the end of a two syllable word; Syllable division pattern V|CV

Math – Lesson 24: Subtraction – Making 10

Literature – Miss Rumphius – Week 1

English –Chapter 8 – Classifying Sentences; Paragraph Writing: Favorite Animals

History - *Story of the World: Ancient Times* – Chapter 23– The Greek gods

Math Homework:

Subtraction Flashcards (-9 and -8) and Doubles (20-10=10; 18-9=9; 16-8=8, etc) and making 10s (10-9=1 and 10-1=9; 10-2=8 and 10-8=2 - corresponds to the making 10s addition lesson)

Continue -9 and -8 and subtracting doubles flashcards as needed

Subtraction Concepts: Adding "backwards" to find the answer and fact families are some ways you can talk about math subtraction facts!

Reading Homework: *Read Ruby and Baby page; Red Words: only, herself, danger, about, friend, wait, knew*

OSL Summer Camp will be offered up to age 11. Enrollment is now open!

Annual Fund Information:

Let's achieve ALL-IN for our annual Eagle Fund to finish the year strong! Thank you to those who have given to the Eagle Fund already!

1. If our class accomplishes the goal of every family giving from our classroom, our class will earn a special dress-up day of our choosing.
2. If our entire school accomplishes this goal, the OSL Administration and Prefects will plan an all-school celebration! <http://www.oslschool.org/giving>
