Weekly News

We finished Lesson 2 in Latin this week. We will begin Lesson 3 next week. In Lesson 3, the scholars will begin learning to decline nouns. In literature, we have also finished reading A Bear Called Paddington. The quiz on Chapters 5-8 is scheduled for next Friday, September 19. The final test will be on September 26. The geography quiz on the New England states will be on September 19. The scholars will need to identify the state, its capital, and its abbreviation. This week, we read about the Dead Sea Scrolls and the city of Pompeii and Mt. Vesuvius in history. In religion, we read about Isaac and his family.

Library has begun! We will be going every other Wednesday. Our next library day is August 17. The scholars will need to return their library books on that day to avoid any late fees. The class wishes to thank Mrs. Barchie for volunteering to be our librarian this year.

Please remember scholars are responsible for any work they miss when they are absent or pulled from class.

Please note that trading food at lunch is against school policy.

REMINDER: Scholars are not to have smart devices. If a smart device is discovered, it will be sent to the office for you to pick up.

Scholars should not bring toys (including balls) to school. If toys are brought, scholars are responsible for their loss or destruction.

New member classes have begun. This is the perfect class to attend if you want to learn more about the Lutheran church's teachings and beliefs or about what your child is learning in school. You are not obligated to join the church.

Please remember to check the parent handbook for this year to ensure scholars are following the dress code.

Chapel is every Wednesday at 8:15am. Scholars are invited to participate in the weekly offerings. Families are also invited to join us every Sunday for worship at 9:30am.

Memory Work

The Ninth Commandment

You shall not covet your neighbor's house.

What does this mean?

We should fear and love God so that we do not scheme to get our neighbor's inheritance or house, or get it in a way which only appears right, but help and be of service to him in keeping it.

The Tenth Commandment

You shall not covet your neighbor's wife, or his manservant or maidservant, his ox or donkey, or anything that belongs to your neighbor.

What does this mean?

We should fear and love God so that we do not entice or force away our neighbor's wife, workers, or animals, or turn them against him, but urge them to stay and do their duty.

Bible Verse

Keep your life free from love of money, and be content with what you have, for he has said, "I will never leave nor forsake you."
