Christmas 2/Epiphany

Dear Parents,

I hope that you will have a restful and fun Christmas break. Our Savior Lutheran Church has an amazing Christmas Eve service at 6:00 pm on Dec. 24. We also have a service on Christmas Day at 9:30 am . The Christmas Eve service gets full, so come early.

Over the 2 weeks it is so important to keep your child reading. Please have them read to you every day. Use the old books or fluency papers.

It is also time for you to teach your child how to tie a bow. Please find some time to practice tying.

Great news! We reached our goal for the Eagle Fund and will get an extra day off in February.

This week we continued to review, work, and have some Christmas fun. We finished our parent gifts. They came home already. On Thursday we took a long walk to Bethlehem to pay taxes and be registered. We ate fish(goldfish) on the way. We ended in a stable with baby Jesus.

Thank you for all the time and effort that you spend with your children. They are amazing kids, I love them!

This week:

Religion: Jesus is born.

Math: We worked on the teens. These numbers are so difficult. Please practice at home. We wrote our numbers, built numbers with number tiles and blocks, and played number bingo.
