# 1<sup>st</sup> Grade Weekly News

We have now entered the joyful season of Easter! Thank you so much to everyone who helped and provided food and crafts for the Easter party! I could feel the children's excitement and anticipation build all throughout Tuesday. They love these special days!

A few questions you can discuss with your child next week based on our lessons:

- Why do you think Jesus keeps appearing to his disciples after his death? (so they have no doubt of his resurrection!)
- What can you do to help make reading "longer" words easier? (sound out a syllable at a time)
- What are your favorite animals and why? Can you give good enough reasons to convince someone else?

God bless,  
Mrs. Robison
