

OUR SAVIOR
LUTHERAN SCHOOL

Mrs. Prestwood's Ponderings January 29, 2024

<p style="text-align: center;"><u>Math</u></p> <p>Last week, we learned how to count by 2s, even though we already knew the song. We are getting better at skip counting all the way through our 10s. This week, we will learn how to add 10s together as well as review previous concepts we have learned.</p>	<p style="text-align: center;"><i>Praise the Lord, and let all that is within me, bless His holy name!</i></p> <p>We reached our goal for our Eagle Fund with your prayers and donations! Thank you! But that doesn't mean we are done. Donate for your scholar's class and get their class a free dress pass for your scholar.</p> <p style="text-align: center;">https://tinyurl.com/6ctp6mrx</p>	<p style="text-align: center;"><u>Phonics and Literature</u></p> <p>For the last 2 weeks, we have studied the letter "r", and I think we have it cemented in our brains! This week, we will learn the letter "f", read some fun and fabulous books, and try a frittata on Friday. We might even touch a (previously) live fish, just for fun! Show and tell should be something that starts with the letter "f". Our red words this week are down, from, he, look, now, out, and sun.</p>
<p style="text-align: center;"><u>Science</u></p> <p>Last week, we studied about the planet Earth and how it revolves around the sun and it rotates on its axis. We also studied Mars. This week, we will study Jupiter and Saturn. Scholars especially love these planets because of their large size and the mystery of the rings.</p>	<p style="text-align: center;"><i>Please help your scholar memorize weekly to keep within their hearts.</i></p> <p style="text-align: center;">For Thine is the kingdom and the power and the glory forever and ever. Amen.</p> <p style="text-align: center;"><i>"[Holy women] were submissive to their own husbands, like Sarah, who obeyed Abraham and called him her master. You are her daughters if you do what is right and do not give way to fear." 1 Peter 3:5-6</i></p>	<p style="text-align: center;"><u>History</u></p> <p>Last week, we heard about the New Kingdom of Egypt and the various kings who ruled. This week, we will learn about Moses from the historical standpoint and the Phoenicians who invented used lye and made purple dye out of snail shells.</p>
<p style="text-align: center;"><u>Important Reminders!</u></p> <p>Every Wednesday at 9:45 - Chapel. All are welcome!</p> <p>OSL Summer Camp is just around the corner. Call the office to register your child for all the exciting things happening this summer!</p> <p style="text-align: center;"><u>Remember to re-enroll your scholar for 2024-25.</u></p> <p>Current students need to re-enroll for the coming year and space is limited!</p>	<p style="text-align: center;"><u>Religious Studies</u></p> <p>Last week, we heard about Jesus changing water into wine, calling His disciples, and not being liked by the people of His own hometown. This week, we will explore some miracles that Jesus performed, such as healing a paralyzed man, calming a storm, and raising a little girl from the dead. We will learn that miracles are something that God performs so that we can glorify Him!</p>	<p style="text-align: center;"><i>100th Day Presentations on Monday, January 29th, right after morning Matins (about 8:30).</i></p> <p>We are so excited about celebrating the 100th day of school on Monday! We will play games, have a special treat, and make different things that show how awesome 100 is!</p> <div style="text-align: center;">  </div>
