bring an item
that has the
letter **Qq** in it.

LETTERS & NUMBERS

- Introduced Xx.
- Introduced 18. Things related to eighteen: what 18 items looks like; holes in golf game; legal adult (vote, college, jail); opossums sleep 18 hours a day on average; Americans eat 18 acres of pizza a day; horse's tails have 18 bones; octadecagon; Psalm 18:18 (...the Lord is my support); lucky number in China

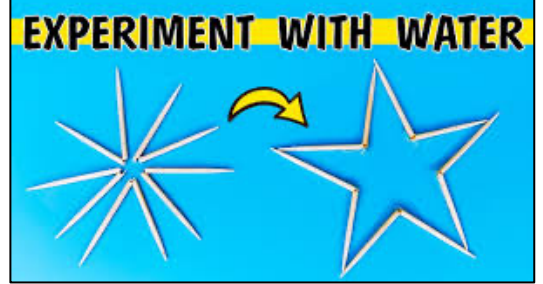

OUTDOOR LEARNING

Easter party and outdoor egg hunt.

SCIENCE

One of our poems this week is *Star Light, Star Bright*. We are making toothpick stars in water: using capillary action, the stars will “bloom” in the water. The wood fibers from the toothpicks absorb the moisture (water and food coloring), making broken toothpicks turn into beautiful stars. This is a really easy one to Google and recreate at home.
