Dear Parents,

WOW! What a great week! National Lutheran Schools weeks gave us an amazing opportunity to celebrate the school and friends that God has given us. Everyday had a special activity. We will finish off the week by singing this Sunday during the church service at 9:30. Scholars are asked to meet in choir room in the church. It is to the left, inside the sanctuary. We will sit in the balcony to sing and remain there until the end of church. You can pick up your scholar from the choir room after the service. Please take your child to the bathroom before bringing them to the music room. You will be able to see the best if you sit in the first balcony on the right side of the church (the organ side).

We have had 100 days of school. It has gone so fast. We wrote about 100, counted 100, and ate 100.

Next Tuesday is step-up day. Kindergarteners will go up to first grade for a short visit to see what first grade is like.

Valentines Day party will be on Feb, 13 . School will be dismissed at 1:00 because of the state basketball tournament. Please remember to sign, BUT DO NOT ADDRESS the valentines.
