

## News for Kindergarten

Trinity 22

Nov. 14, 2025

Dear Parents,

Next week on Thursday is the Thanksgiving Feast. Please be sure to reserve your Thanksgiving meal for **scholars and visitors**. You need to RSVP if you plan on coming, even if you do not plan to eat. All visitors will need a raptor badge. Reserve now, so the badges can be pre-printed. Also, remember to come earlier than your scholar's performance time, so you will have time to check in and get your badge. We will sing for you on the sports court by houses prior to eating. Check the school newsletter for details.

Schedule for singing :

Talonis: 11:05

Aquilae: 11:25

Oculus: 11:45

Rostrum: 12:05

Thursday is a full day of school. If you decide to take your scholar home early, it will be counted as an absence. Students that do leave early need to check out at the office and let me know.

We are still collecting food for the food drive. Boxes for each House are in the cafeteria. The House with the heaviest box wins House points. It is a great way to earn points and help others.

Please remember to label all clothes, sweaters, jackets, lunch kits, and water bottles. Check the lost and found regularly. You may not be aware that your child has lost something.

Only school sweaters and fleece jackets can be worn in the buildings. Other jackets and sweaters can be worn outside. Just be sure to put names in them.

Please consider giving to the Eagle Fund.

This week:

Religion: Great Prophets and Kings

Math: adding
