

Weekly Newsletter
Mr. Kemnitz
Grade 6, 7, 8
April 28, 2024

Greetings!

The Coming Week in Latin:

6th grade will have a Latin numbers quiz on Tuesday and a chapter 15 test on Thursday.

7th grade will have a Latin numbers quiz on Tuesday and a chapter 15 test on Thursday.

8th grade will have a Latin numbers quiz on Tuesday and a chapter 15 test on Thursday.

This week in science:

6th grade are still working their way through a unit on magnetism. No quizzes or tests.

7th grade began chapter 18 last week and will continue learning about the human body.

8th grade will continue working on a unit on animal survival. No quizzes or tests.

If you haven't already re-enrolled your child for next year, please do so soon! See the web site for more information.

The OSL annual fundraiser continues.

If your child has a younger sibling, please see the school website for information regarding our summer program.

Logic school field day is Friday, May 3rd.

In the name of Jesus the Christ,

Mr. Kemnitz
