Memory for this Week- Sacrament of Holy Baptism- The Second Part

What benefits does Baptism give?

It works forgiveness of sins, rescues from death and the devil, and gives eternal salvation to all who believe this, as the words and promises of God declare.

Which are these words and promises of God? Christ our Lord says in the last chapter of Mark: "Whoever believes and is baptized will be saved, but whoever does not believe will be condemned."

Orton Gillingham- ph says /f/, **red words are should, walks, each and many.**

Literature Reader- Reading this week is 229-238. Continuing with new vocabulary on the first day and comprehension on the second. We will finish this book this week.

Math-U-See- Super happy with the results of the last assessment. The newness of the ruler has worn off, so it's not a sword or weapon any longer. We have begun measuring, and I expect this unit to go quickly.
