Tues., 4/21: Golf prac. @ Hearthstone 3:30-5:30  
GHAC Track Championships

Wed., 4/22: No Practices

GHAC Golf Tournament @ Clear Creek G.C.

### MOORE NEWS

We have so much knowledge to gain between now and the end of school so PLEASE stress to your child the importance of listening and following directions so that we can learn as much as possible to be prepared for the next level of education. These next **4 weeks** go very swiftly and activities increase. We all want your child to be fully prepared for next year!

Academic workload has increased in amount and difficulty. Be sure to read through this newsletter, your scholar's assignment planner

(please ask to see this as an added emphasis to its importance-next year it will be invaluable!), and FACTS so that you can continue to support your scholar at home. If there is a disparity, your child's planner should be the most accurate, as we write what we actually accomplished in class. STRESS TO YOUR SCHOLAR THE IMPORTANCE OF WRITING ASSIGNMENTS IN THE PLANNER THEY ARE GIFTED. This is the best communication tool (scholar to self and supporting adults) we have.

Also, please be asking your child to see work returned to them. Usually, work is returned on Fridays. However, I do return some assignments that may be valuable study tools for upcoming tests as well as graded tests during the week so that if a test needs to be revisited for mastery- because the score is below 85- there is time to review before retaking. We go through the answers together as a way for all of us to review concepts. I also write on the test the scheduled date of the retest.

Speaking of writing notes on tests/quizzes, remember for any tests (not Math, English, or Latin) or quizzes with grades below 70, scholars will be given an opportunity to fix answers and return. Return by dates are written on the initial copy and a clean copy is attached. DAILY ASSIGNMENTS do not have the option to fix to be regraded. Of course, feel free to have your scholar fix any mistakes for their own benefit because that is how we learn.

**Healthy scholars** experience better academic success! Please help your child make **healthy choices**, like choosing **healthy snacks (not candy)**, washing hands, covering coughs, and getting a proper night's sleep. Absences make learning more difficult since much of our material is presented orally.

I hope all of you are taking advantage of the amazing opportunity that you have been gifted through the Smart Families presentations. The information is extremely valuable in understanding the mental development of your child. **The information is not just about smart phone use.** The last presentation was at OSL and included writing Your Family's Code of Conduct. **Thank you** to those of you who attended. Hopefully you had meaningful conversation and found it beneficial! If you missed it, be sure to listen to the recording of the presentation which went with the activity. I know that I've benefitted

from these presentations and truly wish this had been available when my children were school-aged and the age of technology was beginning!

**Nightly practice of Latin Vocabulary and Multiplication facts** is necessary for scholar mastery of each subject. We USE multiplication throughout our year in Math. WE HAVE NOW REACHED CONCEPTS THAT REQUIRES A SOLID, WORKING KNOWLEDGE OF MULTPLICATION so this needs to be automatic. Learning a new language, like Latin, takes constant practice as well.

We ALL need support navigating safely through the ever-changing technology universe! **Have you joined Parent ProTech yet?** It's never too late! Make sure you take advantage of this resource to aid your child(ren) as they grow up in this fast-paced, ever-increasingly dangerous, environment. See the newsletter for the link to join!

## SCHOOL REMINDERS

**The Need for Speed** should NOT be used through the neighborhood. Please be good examples of Love and Respect as you and your scholars come in through the back gate during our construction time. We thank you, as we thank them, for your patience and attention.

**Say it isn't so!!** YES-School supplies for the 2026-2027 School Year are already available AND on sale. See the School Newsletter for the code and link.

**PLEDGE DAY-May 3!** Make plans now to be in attendance for our special 9:30 worship service and other special things planned for that day! See the **SCHOOL NEWSLETTER** for the schedule of events, BOE Building Update letter, and Pledge Form. LET'S WORK TOGETHER AS WE CONTINUE TO BUILD FOR OUR FUTURE! **BEFORE WE CAN FURNISH IT, WE MUST FINISH IT!** Pray that all goes smoothly from here forward. God can do ALL THINGS and answers the prayers of His people.

**BUSSES NEED SPACE!** Please remember to allow room for our busses to pull out AND turn from their parking space. When parking near them, look around and be

sure that your vehicle is NOT blocking them from servicing our families.

campus safely and in accordance with school guidelines!

**UNIFORM CHECK!!!** As our scholars grow, so must their uniforms. See the HANDBOOK for specifics to check! REMEMBER LADIES-2 inches above the knee at most for the skirt hem! Apparel needs to be in good repair (I've noticed many missing buttons and rips). Tennis shoes are to be SOLID white, SOLID black or ONLY WHITE AND BLACK. No other colors, including green.

**THE NEW BUILDING** needs furnishings, too, and THIS CLASS will be some of the first to use it! THANK YOU TO PTL AND THE GENEROUS GUESTS AT THIS YEAR'S EAGLE EVENING! While the proceeds from the Gala will help off set this cost, there will still be some needs which need to be met. See the School Newsletter for opportunities still available and needs still unfulfilled! Let's be sure our scholars are set for success this fall.

**PTL IS LOOKING FOR VOLUNTEERS!** See the School Newsletter for the link to their website and check out the options available and which one fits your skill set! Everyone is needed and can help in some way!

## **Smart Families**

We invite all families to adopt four shared norms /to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day.

**IN CASE YOU MISSED OUT ON ANY OF THE SMART FAMILIES PRESENTATIONS, which include a variety of subjects, not just phone use,** go to the school newsletter and access the archived versions. Listening to each of them will be well worth your time and help you become more informed parents (we all would like guidance in this important calling)!

**Waiting for a scholar in after school activities to finish or just enjoying the beautiful weather by playing on our campus? PLEASE** have your child(ren) refrain from moving the landscaping rocks! These rocks have a purpose where they are and need to stay in place for everyone's safety. **THANK YOU FOR YOUR ASSISTANCE in supervising your child!** And of course, enjoy our beautiful

## **SUMMER!!!**

Our own OSL Summer Day Camp has been open for Registration AND IS FILLING QUICKLY! Weekly Session Themes, running June 1-July 24, are posted! Check out the options through the FACTS Family Portal and more details/instructions in the School Newsletter. DON'T LET YOUR SCHOLAR MISS OUT ON THE FUN!

**Don't forget the 1 WEEK ONLY DRAMA CAMP provided at OSL by the AD PLAYERS.**

### **NEWLY ADDED TO THE SUMMER OFFERINGS!!**

**LEGO ROBOTICS CAMP—See School Newsletter for Dates and Registration Information/Link**

**REMEMBER TO CHECK THE PROVIDED 2026-2027 OSL SCHOOL CALENDAR FOR IMPORTANT DATES** when scheduling your family's summer, and other, vacations. These dates are valuable for your scholar's academic success! Missing school days hinders academic progress. THE SCHOOL NEWSLETTER HAS THE LINK.
