Week 12 – Trinity 19

OUR SAVIOR
LUTHERAN SCHOOL

Kindergarten Families,

We had a great week in Kindergarten! We surprised the scholars by celebrating 50 days of school! We learned about life during the 1950s, learned the Hand Jive, and enjoyed root beer floats!

Great job practicing our readers at home! I know it's not always easy to have your child do more schoolwork after a long day at school, but all that practice is paying off! I was blown away with how well everyone was reading our story today! Lutherfest is this Sunday! I hope to see you there! Please refer to the school newsletter for more information.

All advent items have been adopted. I will send home the Ziploc bags with instructions on how to wrap on Monday. We will need help when it comes to assembly time.

Eagle Fund has started! Please consider giving using the QR code on the bottom right corner of this newsletter or the link in the school's newsletter!

Please make sure you have read the School Newsletter.

Thank you,
Mrs. Engel

Lock Words

a, and, black, is, on, the, white, brown, said, see, stop, to, for, go, get, I, like, no, red, her, ouch, **want, will, with**

Parents, using a "**tap, map, write, and read**" routine is a great way to practice our lock words. **Tap:** Tap out how many sounds are in the word. This can be done with fingers or tokens. **Map:** If the word has 3 sounds, draw 3 lines or sound boxes. Then have your child write the letters in the box that correspond with that sound. **Write:** Have your child rewrite the word, making a list of all words practiced. **Read:** Have your child read the list of lock words they just practiced. Talk about word meaning and ask if they can use the word in a sentence!

This process helps facilitate orthographic mapping. Orthographic mapping is the mental process of storing words in long-term memory for instant retrieval!
