OUTDOOR LEARNING (Tuesday afternoon)

We walked around campus to look at all the scarecrows for the scarecrow contest.

SCIENCE (Thursday)

Pumpkin Investigation. Look at the life cycle of a pumpkin. Investigate three different pumpkins – size, shape, feel, etc. We also did a taste-test between pumpkin seeds and sunflower seeds. Quinn, Camila, Jude, and Gavin do *not* like sunflower seeds. Beckett, Quinn, Cham, and Charlie do *not* like pumpkin seeds. Try a different brand or recipe and see if they like yours at home! ☺

Reminders

If you have any questions, please call/email me or the school office.

- Please consider supporting this year's **Eagle Fund**! We have a lofty goal of \$100,000 to meet our budget needs for this calendar year. *OSL is committed to teacher and staff development, safe grounds, rich curriculum, and quality materials.* This all takes more funds than tuition can provide. We hope that you see the value in the education we provide and that you will consider donating towards this year's Eagle Fund.
- **Sunday, Oct. 26** from 12:00-3:00 – **Lutherfest at OSL with food, games, hayrides, face painting, and more.** Church is at 9:30, and if you've ever wondered what a Lutheran church is about, *this is the day* to attend. We hope to see you at noon for the festivities!
