 Dinner (if desired) @6:30, class @ 7:00.

MOORE NEWS

GREAT JOB ON MATH TEST 2 everyone who took it the day we did it. Some scholars just took it due to absences, but I'm sure they did a FANTASTIC job too!!! Way to Go!

This is a great time to be sure your scholar is completely in compliance with our school dress code (belts, shoes, socks, etc.). We have been noticing many short skirts, missing belts, and improper shoes. See the School Newsletter for more information.

Nightly practice of Latin Vocabulary and Multiplication facts is necessary for scholar mastery of each subject. We USE multiplication throughout our year in Math, so this needs to be automatic.

We ALL need support navigating safely through the ever-changing technology universe! Have you joined Parent ProTech yet? Make sure you take advantage of this resource to aid your child(ren) as they grow up in this fast-paced, ever-increasingly dangerous, environment. See the newsletter for the link to join!

I hope your child is enjoying our first novel of the year. As we are learning about some forms of Humor, much of it is quite funny! Ask them about it.

NOTES FROM YOUR PTL

Join the PTL Volunteer list!

New volunteer opportunities are always coming up, and we are always looking for additional hands. If you would like to join the master volunteer list to stay up on new and immediate volunteer needs, [clickhere](#) to visit our website & scroll down to enter your information.

Purchase a Birthday Marquee Display!

MONDAY! September 15th will be the **last day** to place an order for a birthday or half birthday marquee display during the fall semester. Sales will reopen in January to place orders for the spring semester. Purchase on our [website](#) today!

September 23 @ 6:00 is the year's first meeting! Don't miss this chance to become involved and meet the in-person speaker with Smart Families!

Annual Scarecrow Contest

This wonderful OSL tradition continues and will be open for entries starting **Sept. 23rd** so start talking to other families now to plan your Scarecrow's theme. Submissions will fall into two separate categories for judging and prizes: Families and Classes. Scarecrows will be judged on criteria including theme (originality, creativity, family friendly, **no scary Halloween themes**), overall display (stuffing, hair, clothing, accessories, etc.) Look for the sign-up genius link in the upcoming newsletters and please contact Nicole Hale with any questions at NHale2015@gmail.com

SCHOOL REMINDERS

Exciting Partnership with Smart Families

At Our Savior Lutheran School, we are committed to creating a safe, focused, and engaging learning environment for our Eagles. This year, we are excited to partner with Smart Families, an organization that helps parents understand the impact of technology and provides tools to support healthy habits at home. OSL has long operated as a technology-free campus to encourage meaningful engagement in our Classical Lutheran curriculum, and this partnership helps families understand the science behind these intentional choices.

We invite all families to adopt four shared norms to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day.

Ever wondered what was going on in your child's brain? Be sure to register for the Smart Families instructional session on September 15th (9 am, noon, 7pm) titled **"Beyond Balance: The Hidden Sense Behind Learning."** Use the link in the School

Newsletter! I can't wait to learn about this new information!

Back to School - Get the OSL App!

Plan to Use this App All Year

In addition to Back to School you can use the **OSL App** to find many important pieces of information! The **Absence Form** is available on the app and is the BEST way to communicate when your child will miss school, to note doctor appointments and upload dr. notes, or to share other details related to being late or leaving early! AND if you have to reschedule a missed lunch due to an absence you can note it there, too!

Stay Connected: Join Your Grade-Level WhatsApp Group!

Eagles, have you joined your WhatsApp Grade Group yet? If not, now's the time! These groups are a great way to connect with other OSL families who have children in the same grades. Whether you're looking to share resources, coordinate playdates, or just stay in the loop, these groups help strengthen the community we all value so much.

To join, simply click the link to access the **OSL Community WhatsApp Group**. From there, you'll be able to request access to the specific grade-level groups for each of your children. These are private groups, so approval is required.

This is just one more way OSL is committed to building a strong, supportive community for our families!
