SERVING WITH LOVE

**"I don't need a Church,
I study the Bible by myself."
is proof that you don't study
the Bible by yourself.**

LORD'S DAY JANUARY 16TH 2022

Work Among Children

Laine and **Christy Johnson** were supported by this church for some years. They are expanding their outreach among orphan children in Thailand. They are adding bedroom capacity to existing facilities and working to make the program self-sustaining. That means crops and animals. Laine writes:

We are excited to report that the *May House of Joy* is now home to a pregnant water buffalo, two cows, a pig, one rooster and fifteen hens.

Purchase of cows, pig and hens was made possible by a special gift of the *Garden Way*

Church Wednesday Bible Study in Eugene, Oregon, while funding for the water buffalo was provided by the *May Pelletier Estate*. The beautiful rooster was purchased with funds donated by *Ardee Crawford*. We expect these animals to be joined soon by two more water buffalo and more hens. In September, *Asias Children* sent funds for these animals, as well as material to build a chicken coop and a pig pen.

Laine and **Christy** were closely connected with this congregation. Laine teaches math online while living just south of the California border. Laine's mother, **May Pelletier** was a member of the congregation at one time. In her will, she left ample amounts to assist the orphan needs in Thailand. This congregation has supplied the wood for the floor of the *May House of Joy* mentioned in the article.

PRAYER LIST ADDITIONS:

-- **Jerri Hastings** while she undergoes intensive treatment for lung cancer.

-- **Barbara Rife** as she struggles with health issues.

-- **Lee Turner** is 95 and on hospice. He asked us to pray for him as he is struggling to finish a book. He is not well and lives in a Senior Facility in Portland. Lee established this congregation before going to Pakistan to plant a church. His son **Jonathan** carries on the work of spreading the message of Jesus among the Urdu-speaking people of the world via the Internet. There are communities of Urdu-speakers in some major cities of the world including the United States. Jonathan heads a team based in Portland called *Key Communications*. He also teaches leaders in Lahore by using Zoom on his computer. For perspective, note that the population of Lahore is about the same as the population of Oregon and Washington combined. It is a large city.

-- **Mark and Rose Marie Williams** are confined because of Covid. That is certainly a unique way to celebrate one's wedding anniversary!
