## Every Day of the Year is Special for Some Group

### ***For today:***

**National Daughter's Day.** There is a special joy in raising daughters. They are more expensive to bring to maturity, but are often more sensitive and helpful to the needs of those around them. This writer's three daughters are the delight of his life.

**Death of Mohammad.** This man is the key personality in the Islamic religion. It is the belief system and political system of millions on earth. The difference with this and Christianity is that Christianity celebrates the resurrection of Jesus from death every 1<sup>st</sup> Day of the Week and that is a symbol of the hope every believer has in eternal life.

**National Cooking Day.** The point of this observance is to learn the joy of cooking at home with food fresh from the fields.

**National Food Service Employee Day.** But if we don't find it convenient to prepare food at home, there is another avenue: eat at the restaurant where food is cooked and served to our table. Either way we should thank God in prayer for His rich provision for us. The world is moving towards a food crisis and many is other nations could starve within the year.

**National "John" Day.** In checking our records, I cannot locate anyone in the *Minnehaha Church* with the name of John. It seems impossible because the name is so common. However, Bible believers are greatly blessed by the *Gospel of John*, three letters that he wrote (*1<sup>st</sup> John, 2<sup>nd</sup> John and 3<sup>rd</sup> John*), and the *Book of Revelation*. John liked to characterize himself as "The disciple whom Jesus loved."

**BREAKING NEWS:** A mosquito-borne viral disease called Dengue fever is sweeping Pakistan including the Gill's greater family. Schools are closed. **Let's pray for their safety.**

## PRAYER LIST ITEMS:

-- **Jerri Hastings** while she undergoes treatment for lung cancer. Ask Jerri about her good news.

-- **Nina Hall** is recovering from her hip replacement. She asks for our prayers.

-- **Janell Judd** is dealing with cancer. Let us pray for her strength and wisdom for her doctors. They have started to administer a chemo treatment.

### Excerpts from Nina's Facebook site:

Update on my recovery from labral hip repair - seven weeks. My surgeon is very pleased with my rehabilitation. I'm ahead of schedule in terms of range of motion and overall healing. I'm walking steadily without crutches but still get pretty sore on a daily basis.

Thanks to everyone who has prayed for me, sent cards, texts, flowers and care packages. I feel the love!
