SERVING WITH LOVE

**GOD DIDN'T REMOVE THE  
RED SEA, HE PARTED IT.**

**SOMETIMES GOD DOESN'T  
REMOVE YOUR PROBLEMS, HE  
MAKES A WAY THROUGH THEM.**

LORD'S DAY DECEMBER 26<sup>TH</sup> 2021

## MISSION NOTES

In Lahore, Pakistan: **Brittany Gill** asked for prayer this week because she was feeling ill from her pregnancy. Saints prayed and an immediate solution and relief came about.

In Portland, **Lee Turner** has been placed on Hospice Care. He describes himself as “bed-fast.” It was Lee’s vision that inspired the work of Christ in Pakistan many years ago. Lee’s work is now being carried on by his son **Jonathan** with the help of a team of skilled workers (*Key Communications*). Lee established this church while he lived in Vancouver. His house stood where the pharmacy of *Hi-School Pharmacy* is located.

While missions usually refers to cross-cultural outreach, an interesting ministry is the music of *Corban Broadcasting* in Owingsville, Kentucky. The station broadcasts on FM and streams over the Internet 24 hours each day. The family that owns the station is rooted in the Christian Church and the gentleman preaches in a small church. This avoids a kind of Christian music and teaching that may be objectionable. They began this radio work very late in their lives.

Music can be great therapy. Listen to it while napping for a much deeper sleep. Listen to it before going to bed. It may lower your blood pressure and have other benefits such as being a more optimistic person. To learn more, search for *Music Therapy* on the Internet.

**Larry Sword**, as he recovers from a serious fall.

**Jerri Hastings** while she undergoes intensive treatment for lung cancer.

The number of viewers watching the memorial for **Sandra Sisseck** was remarkable. See the two entries in the box at the next page. It was also released on other platforms that we do not monitor for the number of viewers. The number of viewers will rise because the file will be accessible for many months to come.

**Nina and Aiden Hall.** Their apartment has become unavailable to them because of an electrical failure. Nina writes that there is “no heat, hot water, oven, stove, microwave, or dryer.” The failure is specific to their apartment and repairs will take perhaps a month because of tests, permits, inspections and other details. Mother and son are staying very temporarily with Nina’s mother **Barbara Rife**. The story is developing each day, but believers have an opportunity to show concern and perhaps help as this story unfolds.

The mission of the Minnehaha Church of Christ is to worship God, equipping every member to serve and build up one another and to lead people into a saving and enriching relationship with Jesus Christ.
